

Prosperous business

Our hotel offers 6 variable rooms between 18 m² and 132 m², for up to 300 people. Our partner PCS Professional Conference Systems GmbH will provide modern multimedia-technology for your own individual conference. It is also possible to darken all our rooms. In cooperation with Partner PCS Professional Conference Systems GmbH we have the potential to offer you interpreter booths and professional conference interpreter, as well as more high-class and modern conference technology.

Business-Lounge

Computer, printer, fax, internet access, WLAN, gastronomy service, conference room for up to 6 people – our business-lounge offers an ideal location for presentations or a trustworthy conversation.

Modern and functional

The hotel offers 159 modern arranged rooms, including 3 junior suits, 2 disabled rooms and two non smoking floors. All rooms are provided with a bathtub or shower and a toilet, satellite television, and pay TV "Premiere". It also holds a mini bar, a desk, internet access and WLAN.

Recreate, experience and ease

With the Turkish vapour-bath, sauna, adventure shower, 2 whirlpools, a sun bed or a little work-out including a treadmill – our fitness area with its regards to style will bring you back on track. And for those who would like something special – with the relaxing massage, Sabine Kersten will take your cares away. Here specialty: Traditional Thai-massages.
